Ice Cream Social was lots of fun. While not a lot of folks came, the ones that did expressed that they enjoyed the ice cream and the cool surroundings of the community house to sit and chat with neighbors and friends. Thanks for coming folks!

Commodore: Ingrid Gehle (410-867-2286)

From the Administrator:

We are moving forward with the **channel bulkhead replacement**. The contractor will start in late August. Meanwhile we are applying for a permit to replace the concrete ramp after the bulkhead is finished. That will put the ramp out of commission for about 3-4 weeks in late September to mid October. The ramp will not be available while the work is being done on the ramp; however, the channel will remain open during all phases of construction. Please be safe on the water and have lots of fun.

From the Commodore:

We would like to arrange a **raft-up** for the Cedarhurst Boat Club, but no date has been set. Please contact Commodore Pegleg at ingridgehle@comcast.net or 410-867-2286 and let me know when would be a good time for this event. I will be overseas for most of September, but that should not keep the rest of the folks from having fun! If you want to be Commodore for a day, I will deliver the hat and banner to your house personally!
